### Discussion Questions for Personal Life and Community Gathering

1. **Creation.** Genesis 1-2. Think about the original creation. What was it like? How would you characterize it? How did mankind fit into it? Discuss the relationship between God and man in this time.

2. **Fall.** Genesis 3:1-13. What did God require of man prior to this passage? What happens here?

How does man fall? Why does man fall?

How does this change the relationship between God and man now? Between man and creation?

How does the fall affect you personally?

3. **Gospel.** Read Genesis 3:14-15. This passage is called the *protevangelium* or the “the first gospel.” How is the Gospel communicated here?

Why is this good news?

How is this passage consistent with the New Testament?

4. **Repentance.** Define repentance. How does the gospel lead us to repentance?

According to the sermon, what are the six key ingredients to repentance and why are they important?

Why is repentance necessary?

Consider repentance in your life. How are you living in repentance? How are you leading others in repentance?
